NEEDS AND USES: The use of these forms is necessary to provide property disposition procedures during one of the largest periods of drawdown in recent history. As the war in Afghanistan comes to a close and the Department prepares for reductions in force structure, these procedures will guide the effective and efficient disposition of property to maximize stewardship of taxpayer-funded equipment. The information will be used to facilitate transfers of hazardous and dangerous property to parties outside DoD control. All individuals or businesses that are attempting to purchase DoD property must submit a DRMS Form 1645 and have a SF114A. The

information on the forms serves as a type of bid for DoD property and to ensure recipient's eligibility to conduct business with the government.
